

# The Little Girl and the Jungle Adventure

Mimanshu loved exploring nature.  
One sunny day, he wandered into  
a magical jungle where the trees  
whispered secrets and flowers  
glowed in the sunlight.

As Mimanshu stepped into the jungle, a friendly monkey named Bandar swung down from a tree.  
"Welcome, Mimanshu! Are you ready for an adventure?"

**Bandar led Mimanshu to meet Ullu the Owl, who knew every secret of the jungle. "Follow the rainbow path to find the hidden treasure," Ullu hooted.**

As they followed the rainbow path, they came to a sparkling stream. A playful elephant named Gajju offered them a ride across.

On the other side of the stream,  
they entered a meadow full of  
dancing butterflies. The  
butterflies formed arrows  
pointing toward a cave.

Inside the cave, they found a glowing treasure chest. But guarding it was Sheru the Lion! “You must answer my riddle to open the chest,” he said.

Sheru asked, "What has keys but can't open locks?" Mimanshu thought hard and smiled. "A harmonium!" he said. The treasure chest opened, revealing shiny gems and magical toys.

**Mimanshu thanked Sheru, Gajju, Bandar, and Ullu. As the sun set, he left the magical jungle, promising to return for more adventures.**
